STAFF PRESENT: Mr. Michael Peters, Executive Director; Mr. Trent Taylor, Finance Director; Ms. Lori Gunn, Regional Services Director; Ms. Daphne Morcom, Regional Services Program Specialist; Ms. Delaney Pruett, Regional Emergency Management Planning Program Coordinator; Mr. John Schaumburg, Regional 9-1-1 Director; Mr. Marin Rivas, Workforce Development Director; Ms. Heather Reid, Workforce Development Contract/Accounting Manager; Ms. Debra King, Area Agency on Aging Director; Mr. Cullin Knutson, Regional Services Program Specialist; Ms. Melissa Whitaker, Executive Assistant

OTHERS PRESENT: Ms. Jennifer Foster, District Director for Senator Charles Perry

1. CALL TO ORDER

Judge Nancy Tanner called the meeting to order at 1:32 p.m. and noted that a quorum was present.

2. **INVOCATION**

Judge Pat McDowell gave the invocation.

3. **PUBLIC COMMENT**

No public comments were made.

4. **MINUTES**

Judge John Howard moved to accept the minutes from the Board of Directors meeting held on December 5, 2024. Mr. Winston Sauls seconded the motion; the motion carried by unanimous vote.

5. **PLANNING & SERVICE AREA 3 MEMBERSHIP MEETING – PRPC BOARD MEMBER**

Mr. Michael Peters informed the Board of Directors that a vacancy currently exists on the Board of Directors of the Panhandle Regional Planning Commission (PRPC) from Planning and Service Area (PSA) 3. Swisher County Judge Harold Keeter had held the seat, but sadly the seat now sits vacant. The Planning Commission Bylaws call for this vacancy to be filled by an election of the member cities and counties of the Planning and Service Area. The seat must be filled by a local elected official (city or county) from Briscoe, Castro, Deaf Smith, Parmer, or Swisher Counties. These seats are normally filled on a three-year rotating basis at the PRPC Annual Meeting. However, given the unexpired term, it is important to ensure that PSA 3 is fully represented on the PRPC Board of Directors. The public meeting to make this appointment by elected officials from PSA 3 may be held digitally by virtue of Texas Government Code Sections 551.127 & 418.016. Local government officials from PSA 3 have been notified of this public meeting for the selection of a new PRPC Board Member. Board Members and representatives of the local governments in PSA 3 met independently to select a new Board Member from the service area.

At the conclusion of the breakout session, the PSA 3 membership presented the new Board Member to the PRPC Board of Directors.

Judge John Howard moved for the Board of Directors to recognize the new PSA 3 PRPC Board of Directors member brought forth by the PSA 3 membership. Mayor Tobe Shields seconded the motion; the motion carried by unanimous vote.

6. **PRPC VOUCHERS FOR THE MONTHS OF NOVEMBER AND DECEMBER 2024**

Mayor Kerry Symons moved to approve the vouchers for the months of November and December 2024. Judge Kimberly Jones seconded the motion; the motion carried by unanimous vote.

7. **PRPC INVESTMENT FUNDS MONTHLY REPORT**

Mr. Trent Taylor informed the Board that pursuant to the Public Funds Investment Act which was passed by the Texas Legislature in 1987 and amended in 1995 and 1997, PRPC adopted written investment policies on April 27, 2023 for funds under our control. The following was submitted for approval.

	Balance@ <u>11/30/2024</u>	Balance@ <u>12/31/2024</u>	30-Day Avg. Rate

The book value and the market value were the same for each fund listed above. The investment portfolio followed the Public Funds Investment Act and PRPC Investment Policies.

Judge Pat McDowell moved for the Board of Directors to accept the PRPC Investment Fund Monthly Report as submitted. Judge Harold Keeter seconded the motion; the motion carried by unanimous vote.

8. WORKFORCE PURCHASE: HIGH DEMAND JOB TRAINING PROGRAM FRANK PHILLIPS COLLEGE DALHART CAMPUS

Mr. Marin Rivas informed the Board of Directors that in August, the Texas Workforce Commission (TWC) awarded \$150,000 in dedicated Workforce Innovation and Opportunity Act (WIOA) funds to the Panhandle Workforce Development Area, for another High Demand Job Training (HDJT) Initiative, through the collaboration between the Board and the Dalhart Economic Development Corporation (DEDC), to use the funds to match \$150,000 in local economic development sales tax funding for job training, on a dollar-for-dollar basis, for a project totaling \$300,000. Staff has been coordinating with the Dalhart EDC to facilitate occupational training at the post-secondary level at the Frank Phillips College-Dalhart Center in their new Diesel Mechanics Training Center. Frank Phillips College requested that the Panhandle Workforce Development Board, in partnership with the Dalhart EDC, utilize the funding to purchase equipment for the new Training Center as described below:

- Fluid Power Training Institute (FPTI) Single Sided Hydraulics Training System – Basic through Advanced Hydraulics - \$37,354;
- Diesel Repair Trainer, 2-cylinder Mechanical Injection Engine - \$30,180;
- Cutaway Allison Automatic Torque Converter-Driven, Electronically Controlled Transmission designed for teaching heavy duty automatic transmission theory and operation - \$26,050;
- Swivel Engine Stand - \$14,650;
- Disc & Drum Automotive Hydraulic Braking System Brake Trainer + Faults - \$11,419;
- Ohm's Law & DC Electrical and Electronic Theory Circuits Trainer - \$10,215;
- Functional Cutaway Heavy Duty Diesel Starter - \$5,530; and
- Shipping, handling, installation, and commissioning, totaling \$6,450.

Additional items such as curriculum workbooks, and product warranties are included for no charge. These items are available from Toolkit Technologies on The Interlocal Purchasing System (TIPS), a governmental public entity created by the Texas Legislature to conduct competitive procurements and enable government agencies to make purchases using its purchasing contracts.

Judge Pat McDowell motioned for the Board of Directors to authorize the Executive Director to purchase the equipment described above from Toolkit Technologies, for the amount of \$141,848 to match the Dalhart EDC's sales tax monies for high-demand job training. Mayor Kerry Symons seconded the motion; the motion carried by unanimous vote.

9. **PANHANDLE REGIONAL 9-1-1 FY2024 1ST QUARTER PERFORMANCE REPORT**

Mr. John Schaumburg informed the Board of Directors that as stipulated in the agreement between Panhandle Regional Planning Commission and the Commission on State Emergency Communications (CSEC), the Panhandle 9-1-1 Network must establish and accomplish certain goals and objectives. In order to check progress throughout the year, we are required to submit to CSEC a quarterly performance report that includes 9-1-1 call volumes, monitoring results, network outage reports, system testing, and the status of equipment replacement. The following items make up the key points of the FY25 Q1 performance report covering September, October, and November.

- There were 23,053 9-1-1 calls received from the 21 regional call centers of which 17,544 were wireless (76.1 percent).
- Staff monitored Public Service Answering Points (PSAPs) 14 times with no findings.
- PSAP staff and PRPC staff performed 1,072 Network test calls.
- There were 11 outages during this quarter.
- The region received 1,709 text messages during this period, with the vast majority being test texts.

Judge John Howard motioned for the PRPC Board of Directors to approve the FY25 Q1 Performance Report as submitted covering the months of September, October, and November. Mayor Tobe Shields seconded the motion; the motion carried by unanimous vote.

10. **BIVINS HEALTHY SENIORS GRANT RECIPIENT**

Ms. Debra King informed the Board of Directors that the Area Agency on Aging of the Panhandle has previously collaborated with the Mary E. Bivins Foundation regarding nutrition program assistance for the Panhandle region. Through this partnership, the Bivins Foundation has gained greater awareness of various events and activities organized by the Area Agency on Aging. They have expressed interest in potentially partnering to co-sponsor some of these events alongside the Area Agency on Aging in the future. In addition to funding received for the Healthy Seniors Grant Program, the Bivins Foundation was interested in supporting the AAA Older Adult Education Program and a proposal was developed to secure funding for the 2025 Older Adult Education events. On December 4, 2024, the Panhandle AAA received notification that the Mary E. Bivins Foundation has awarded a grant to the Panhandle Regional Planning Commission (AAA) as part of the 2024 Healthy Seniors Grant Program. We are excited to notify the PRPC Board of Directors that the Bivins Foundation graciously awarded \$24,700 to support the 2025 Older Adult Education Program. We appreciate the Bivins Foundation for all of their assistance improving the lives of older adults in the Panhandle.

Informational item only, no action was needed.

11. **PANHANDLE REGIONAL LAW ENFORCEMENT ACADEMY GRANT APPLICATION RESOLUTION**

Ms. Daphne Morcom informed the Board of Directors that state funds for regional law enforcement training programs are authorized under Section 102.056 of the Texas Code of Criminal Procedure and Section 772.006 of the Texas Government Code. The source of these funds is from monies collected through court costs and fees. The Texas Legislature does not have a specific allocation for law enforcement training academies, typically the State Fund 421 funds have been used to support regional law enforcement training programs. Beginning in 2013 CJD asked Councils of Government to submit a 2-year grant rather than a new program application each year. CJD has continued the request for a 2-year grant since 2013. CJD is accepting applications for law enforcement training grant applications for FY 2026-2027 with a submission deadline of February 13th. PRPC is in the process of creating the final application for submittal ahead of the deadline. In

reflecting back on recent history, our program funding has remained relatively static for the past nine years.

In previous years we paid for in-service training on a contract hour basis; since 2015 we have taken a new approach where we pay only the proportion of the class costs equal to the percentage of PRPC paid officers in each class. This approach has given us the opportunity to provide more training hours with the funds available. With the 2026-2027 Regional Law Enforcement training application, PRPC has been advised by CJD that the funding amount will mirror the FY 2024-2025 contract. The amount for each year of the 2-year grant period will be \$110,543.00. As has been done for the past many years, the 2026-2027 Panhandle Regional Law Enforcement Training Program would include Basic Law Enforcement Training, In-Service Training and Advanced Specialized Training. Every August, in advance of the new school year, PRPC staff will meet with the staff from Amarillo College to negotiate the annual training contract. AC has operated the Panhandle Regional Law Enforcement Training Academy (PRLEA) for over 50 years that it has existed and the contract has to be renewed each year to account for any changes in tuition costs. PRPC staff will present the 2026 PRLEA contract to you for your consideration later this year at which time we will know how much of a positive impact this funding will have on the level of training services we'll be able to procure in 2026. In order to submit the 2026-2027, grant application to CJD, it must be authorized by the PRPC Board of Directors.

Judge John Howard motioned for the PRPC Board of Directors to favorably approve the resolution which authorizes PRPC staff to submit a grant application to the Criminal Justice Division of the Governor's Office for the continued operation of the Panhandle Regional Law Enforcement Training

Academy for fiscal years 2026 and 2027. The total amount of grant funding requested for the two-year period is \$221,086.00. Mr. Winston Sauls seconded the motion; the motion carried by unanimous vote.

12. SPECIALIZED CRIMINAL JUSTICE GAP TRAINING PROJECT RESOLUTION

Ms. Daphne Morcom informed the Board of Directors that each year, the Office of the Governor's Criminal Justice Division (CJD) contracts with PRPC to facilitate the distribution of funds under the following funding blocks for the Panhandle Region:

- Edward Byrne Justice Assistance Grant (JAG)
- Juvenile Justice & Delinquency Prevention Act (JJDP)
- Victims of Crime Act of 1984 (VOCA)
- Violence Against Women Act of 2013 (VAWA)

On December 16, 2024 the Funding Announcement for these funding blocks was sent to all eligible entities. During our January strategic planning meetings, PRPC is consistently told that more cross-training for all stakeholders in the criminal justice system would be beneficial. Some issues have continued to plague the region and continue to come up at strategic planning meetings and in surveys. Those gaps include domestic violence, mental health and human trafficking. PRPC staff is proposing to address the training needs through the Specialized Criminal Justice Gap Training Project. This project would orchestrate regional training for professionals involved in law enforcement, courts, prosecution, Judges, dispatchers and victim service agencies. PRPC will contract with Amarillo College's Criminal Justice Department to coordinate the regional training event. Amarillo College will secure professional trainers to address the greatest training needs of the region.

Mayor Tobe Shields motioned for the PRPC Board of Directors to favorably consider the resolution which authorizes PRPC staff to submit a grant application to the Criminal Justice Division of the Governor's Office under JAG for the Specialized Criminal Justice Gap Training Project and that the PRPC Board of Directors authorize the PRPC Executive Director to execute a contract with Amarillo College for the delivery of the Specialized Gap Training and Education services upon approval of

the grant. Mayor Kerry Symons seconded the motion; the motion carried by unanimous vote.

13. JUSTICE ASSISTANCE GRANT SPECIALIZED GAP TRAINING DELIVERY CONTRACT

Ms. Daphne Morcom informed the Board of Directors that in early 2024, the PRPC applied for funding under the FY25 Edward Byrne Justice Assistance Grant (JAG) grant program from the Office of the Governor's Criminal Justice Division (CJD) to provide training in the Panhandle and was awarded funding on December 12, 2024. The project, which was developed in discussion with the region's stakeholders to identify the gaps that our region faces. The top three gaps found were substance abuse, domestic violence, and mental health. The goal of the project is to improve the way in which stakeholder agencies/organizations work together to address the issues of substance abuse, domestic violence and mental health in the region's criminal justice system. This training, which will be provided at no cost, is intended for the region's victim services agencies, law enforcement, prosecution, judiciary, emergency 9-1-1 communicators, medical trauma service providers, non-profit agencies, faith-based organizations and other such agencies in the Panhandle that round out our criminal justice system. It's anticipated there will be a high level of interest in the training being provided under this contract and that each of the three courses delivered by Amarillo College will be well-attended.

Mayor Kerry Symons motioned for the PRPC Board of Directors to authorize the PRPC Executive Director to execute a contract with Amarillo College for the delivery of Specialized Gap Training and Education services. Mr. Daniel Jackson seconded the motion; the motion carried by unanimous vote.

14. INTERLOCAL AGREEMENTS FOR ADMINISTRATION OF A HAZARD MITIGATION GRANT

Mr. Cullin Knutson informed the Board of Directors that the Hazard Mitigation Grant Program is a federal program that jurisdictions can only participate in if they have an approved hazard mitigation plan. Currently PRPC staff is working with the majority of the counties in the region to update their hazard mitigation plans. These plans are updated every 5 years. The Hazard Mitigation Grant Program is authorized under Section 404 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act. This grant program allows sub-recipient management costs to be utilized for the administration of the project. These funds are provided at 100% federal cost-share, there is no local match required for the administration costs. We have had several jurisdictions submit a grant application through the Federal Emergency Management Agency (FEMA) Hazard Mitigation Grant Program, which is administered by the Texas Division of Emergency Management (TDEM). Currently the City of Adrian, and City of Pampa have been approved for funding for generators. By installing generators at these locations, the jurisdictions will be working to mitigate known natural hazard vulnerabilities. The Unified Hazard Mitigation Assistance Grant Programs (HMA) provide grants to states and local governments to implement long-term hazard mitigation measures after a major disaster declaration. The purpose of the HMA is to provide a critical opportunity to reduce the loss of life and property due to natural hazards and disasters and to enable mitigation measures to be implemented during the immediate recovery from a disaster. PRPC Staff has helped these jurisdictions write and submit the grant applications and worked on follow-up questions from TDEM and FEMA. PRPC's Regional Services department has been requested to administer these projects, utilizing the administration funds provided by FEMA. Upon approval, the Executive Director will execute the Interlocal Agreement to those jurisdictions that have approved grant applications.

Judge Pat McDowell motioned for the Board of Directors to consider the approval and authorize the Executive Director to execute the Interlocal Agreements for Professional Services from the PRPC's Regional Services Department on the FEMA awarded Hazard Mitigation Grant Projects already funded and those pending, should FEMA award them. Judge John Howard seconded the motion; the motion carried with a unanimous vote.

15. **FY2025 STATE HOMELAND SECURITY PROGRAM APPLICATION RESOLUTIONS**

Ms. Lori Gunn informed the Board of Directors that the FY25 State Homeland Security Program (SHSP) grant application period opened on December 16, 2024. This year's applications are due to the Homeland Security Grants Division of the Governor's Office no later than 5:00 PM on February 13, 2025. The purpose of this grant program is to support local and regional efforts to prevent terrorism and other catastrophic events and to prepare for threats and hazards that pose the greatest risk to public safety. The SHSP plays a significant role in the implementation of the National Preparedness System by providing funding which can be used to build, sustain and deliver core capabilities, critical to achieving the national prepared-ness goal of having a secure and resilient nation. The program has changed rather significantly in the past few years. It used to be that the region would determine how the funds would be used based on an evaluation of needs and priorities. Now, federal spending requirements have to be factored into that determination. In fact, to a certain extent, the federal spending requirements now out-weigh the evaluation of needs and priorities. For FY25, in addition to ensuring that at least 30% of the funding received by the region is spent on Law Enforcement Terrorism Prevention Activities (LETPA); we also have to make sure that at least 3% of the region's FY25 allocation on the is spent on the first three of the National Priority areas.

- 1) Enhancing Community Preparedness & Resilience (at least 3%);
- 2) Protection of Soft Target/Crowded Places (at least 3%);
- 3) Intelligence and Information Sharing & Analysis (at least 3%);
- 4) Combating Domestic Violent Extremism (3% under competitive area);
- 5) Enhancing Election Security (3% under competitive area); and
- 6) Enhancing Cybersecurity (apply under SLCGP).

What makes meeting these federal funding requirements even more challenging is that we do not know how much funding the Panhandle will receive for FY25 nor will we know that until the projects have been funded. Now, for over 10 years, the PRPC has annually applied for funding to maintain four (4) keystone projects that benefit the entire region. They include:

1. The Regional PANCOM Interoperable Public Safety Communications system (which primarily supports the core capability of Operational Communications;
2. The EOP Update Project (which supports the Planning core capability);
3. The Panhandle-Area Regional Information System or PARIS (which chiefly serves the core capability of Public Information & Warning); and
4. The Regional Planning & Coordination Project (which likewise supports the core capability of Planning).

As has been done in previous years, we are also providing you with a brief description of each proposed project below.

1. **FY25 Regional PANCOM Maintenance and Operations**
This proposal is for a continuation project. As currently proposed, the project will cover approximately 50% of the annual costs of maintaining the PANCOM system.
2. **FY25 Regional Planning & Coordination Project**
This proposal is for a continuation project. The project is intended to offset the PRPC's costs of administering the regional SHSP program and performing all the planning work required to support the SHSP program in the Panhandle.
3. **FY25 EOP Update Project**
This proposal is for a continuation project. This project would provide

Emergency Operations planning (EOP) assistance to counties/cities in the region, to support the EOP planning process in FY25.

4. **FY25 PARIS Maintenance Project**

This proposal is for a continuation project. In 2007, SHSP funds were used to purchase 50 licenses to start the Panhandle Area Regional Information System (PARIS) for use by the region's emergency management officials. Since then we have changed vendors but PARIS is still used to support the regional first responders through mutual aid asset inventory and local/ regional mass notification capabilities. It has been determined this project will satisfy the National Priority of Protection of Soft Target/Crowded Places. The deadline for the submission of the FY25 SHSP project applications is February 13th. By approving these resolutions, the Board is not finally approving the funding of these projects. However, you will be asked to consider approving the PREMAC's FY25 SHSP prioritized project list during your meeting in February and these projects will appear on that list.

Mayor Kerry Symons motioned for the PRPC Board of Directors to approve the submission of the five regional projects described with this agenda item to the Homeland Security Division of the Governor's Office for consideration under the FY25 State Homeland Security Grant program by the February 13, 2025 submission deadline. If so approved, the Board's consent will have to be documented with the passage of the attached resolutions. Mr. Winston Sauls seconded the motion; the motion carried by unanimous vote.

16. **OPEN DISCUSSION**

17. **MISCELLANEOUS NON-ACTION INFORMATION ITEMS**

A. Comments from the Executive Director. We have received one of the plans from the engineers for the chiller. We are currently waiting on plans for the mount for the roof unit. The City of Dumas hosted the Region II TML meeting last week in

Dumas and it went very well. In regards to the responses from our local legislative State representatives, I have not heard back from all of our Representatives about serving on the Board of Directors for PRPC. Ellie Berry with Caroline Fairly's Office stated she would likely be interested but would get back to me. Representative Smithee said he would be willing, but likely will miss many meetings due to his law practice. Representative King and Senator Sparks have not responded, I also sent a new request to them today. Senator Charles Perry stated he would not be able to attend enough due to the distance. Ms. Karen Price has resigned from the board due to other conflicts. We will be holding an election for PSA 5 which represents Childress, Collingsworth, Donley, Gray, Hall, and Wheeler Counties. If you are aware of any potential minority representative that would be willing to serve on our Board from these counties please let us know. We have sent requests to the counties and cities within Hall, Collingsworth, and Gray Counties searching for potential replacements as we do not have any representatives from those counties. The upcoming Texas Association of Regional Councils meetings are February 4-7th. Mayor Tobe Shields represents the PRPC on the TARC Board of Directors. Our next meeting will be February 27th at 1:30 here at PRPC. Thanks to each of you for your attendance today.
