Online Job Openings and Resume Posting

As a member provider of WorkInTexas.com, we can assist you with using the most advanced, interactive, internet based job matching tool available in Texas. Visit www.wspanhandle.com 'for Job Seekers' to post your resume, find job openings requiring your skills, link to websites for Panhandle employers, assess your skills and interests, and explore different career options.

Job Search Resources

Use public access computers for job hunting, print and fax resumes, contact local and out-of-area employers by telephone, use our job search videos and computer software, and participate in seminars to improve your interviewing and networking skills.

Job Matching

Get professional help from our staff in matching your skills and interests to available jobs.

Individualized Placement Services

Persons with potential barriers to employment may receive intensive assessment, counseling and job development services.

Labor Market Information

Research wages, required skills, and other qualifications for high demand occupations that offer good pay, benefits and opportunities for career growth.

Community Resource Information

Find out about other sources of assistance available in your community.

Training Provider Information

Get information about training programs and financial aid available to you through area colleges and vocational schools.

Basic Skills Training

Learn how to improve your academic skills, work on a GED or finish high school.

Occupational Skills Training

Learn how our financial assistance might help you with vocational training costs or help you earn wages while you learn new skills on the job.

Child Care, Transportation and Other Support Services

Learn how you might qualify for assistance with personal expenses you will incur during training or when starting a new job.
